WELCOME

Who We Are

We bring your blue cruise dreams to life in the most beautiful bays of the Aegean and Mediterranean, with 55 years of seafaring experience and 40 years as a family-run business. What began as Bodrum-based boat tours and gulet charters continues today with an expanded fleet and a wider range of routes. Cemre Junior is a 26-meter comfortable gulet designed for guests who wish to explore the unique bays of Bodrum. Renovated in 2020, it offers a warm atmosphere, modern comfort, and an experienced crew. On weekly charters to Greek islands and hidden Aegean coves, it provides an unforgettable holiday experience.

Living Areas

With spacious sunbathing areas, a large aft deck, and a comfortable seating arrangement, Cemre Junior prioritizes relaxation throughout your trip. The front deck offers sunbeds and a peaceful lounging space, while the aft deck features a large dining table and shaded living area — the heart of the blue voyage.

Dining Area

On board, our galley focuses on Turkish cuisine: regional dishes, rich assortments of mezes and fresh seafood take centre stage. With delicious menus prepared daily, we appeal both to your palate and your eyes throughout your journey.
